- We are excited that you have decided to participate in the Grace Place program. Our goal is to create a fun and safe environment for you and your child to enjoy. Our expectation is for each individual to show respect to other participants, supervising adults, and Grace Place property. If a child/adult has difficulty demonstrating respect, the parent/adult will be notified of observed behavior and reasons for concern as a warning and opportunity for correction. If the child/adult is not able to adjust the negative behavior, he/she will be asked to leave the GP program.
- If a participant chooses to not attend class or decides to not finish a month, no refund will be offered. Registration fees are non-refundable.
- GP does not support the enrollment of its students in multiple dance programs. If the student chooses to take classes at another dance studio, his/her enrollment in GP will be terminated.
- Because we want to respect the privacy of all members, we ask that there be no videoing (except for designated times) while at GP. Thank you for honoring this request.
- I have read, understand, and agree with the criteria for recital and non-recital classes.
- I have read, understand, and agree with the information outlined above.
